# Design London is embraced in Greenwich

By **Jade Tilley** September 1, 2021

Following months of grey, the show will offer visitors a welcome spectrum of colour through a vibrant lineup of speakers. Those who will succeed Illori include Eley Kishimoto, and Pearson Lloyd. New London Architecture (NLA) will form a specialist panel to debate the future of our cities whilst commercial interior design studio Trifle Creative will join a workspace discussion. Dulux's Creative Director, Marianne Shillingford will take to the stage with a cast of colour experts, Roddy Clarke will conduct a talk centred around sustainability in craft, and in a hospitality panel led by Sleeper, speakers will discuss how hotels are reinventing themselves in a post pandemic world.
